The new Royal Ergofit is an ergonomically tested and back-friendly chair. This is also certified by Aktion Gesunder Rücken with its AGR seal of approval. Thanks to the combination of the curved ErgoShell® backrest made of DuraDore® 3D and the vertically adjustable neck support, the Royal Ergofit individually adapts to the size of the user. Due to the S-shape, the Ergofit adapts to the natural shape of your spine. This relieves and relaxes your back.
