Pack size	99.5 x 72 x 11.5 cm
Net weight	6 kg
Gross weight	7.5 kg
Catalogue page	729

The AP/435 Air-Select Compact is an ergonomic camping chair with a 7-position adjustable backrest for optimal seating comfort. The sturdy, square frame with stabilising feet ensures a secure stand on any surface. An adjustable headrest supports a comfortable sitting posture. The breathable padding with an open-cell structure does not retain moisture and dries particularly quickly. Thanks to the lower seat and shorter backrest, the chair is ideal for people with shorter legs. The backrest and armrests are ergonomically shaped and the anodised H-frame provides additional stability.
