Manufacturer's no. 200 FAA1NECD1Y

LED Reading Lamp with USB-C

Information

Dimensions	7.5x6 cm
Pack size	14x9.2x6 cm
Net weight	130 g
Gross weight	136 g

The compact LED spotlight with a round base in elegant black impresses as a modern lighting solution for indoor use. With a power output of 1 W and a neutral white light colour (4000 K), it provides pleasant, clear light – ideal for focused reading or targeted illumination.

The swivelling reading lamp with a high-quality acrylic head can be flexibly adjusted to suit your individual needs. Be it in a motorhome, bedroom or reading corner – the spotlight offers maximum functionality in a small space.

Thanks to its simple, timeless design, the lamp blends discreetly into any environment, combining practical handling with a modern look.
