Manufacturer's no. 9620017417

Sine Wave Inverter SinePower DPSI 12 V, 600 W

DOMETIC

Information

Dimensions	303 x 87 x 220 mm
Pack size	34 x 30.5 x 12 cm
Net weight	2.7 kg
Gross weight	3 kg
Catalogue page	586

The SinePower DPSI series sine wave inverters generate a pure sine voltage, suitable even for sensitive 230 V devices. Thanks to their wide input voltage range, they are also compatible with modern Euro 6 vehicles with intelligent alternators. Optionally, you can combine the inverter (from DPSI 612) with the TD283 multifunctional display instead of the remote control included in the delivery. It also works with the Dometic Power App (from DPSI616) – provided there is at least one Bluetooth®-enabled device in the network (TEMPRA battery or TD283 display in combination with a Dometic solar controller).

Specifications

Output voltage	230 V
Continuous output	600 W
Nominal voltage	12 V
Peak power	1200 W
Type	DPSI 612
