Electric fan kit for camping toilet C250

Experience freshness and comfort with the electric fan kit for the camping toilet C250 from Thetford. This innovative system offers numerous benefits that enhance your camping experience.

Effective odour filtration

The fan automatically filters unpleasant odours from the waste tank and silently expels them outside. No more disturbing smells in the vehicle!

Automatic and manual control

Thanks to the automatic start and stop function, your toilet remains odour-free at all times. In addition, manual operation is possible to have control whenever needed.

Quiet operation

The low-noise fan ensures quiet ventilation, allowing you to relax undisturbed.

User-friendly display

A special display on the toilet control panel indicates the status of the fan, keeping you informed at all times.

Easy filter replacement
