With the FLEXXI 100 glass/bottle holder, you can easily take your own wine or beer glass with you on holiday, and your vinegar and oil bottles are also perfectly stowed away with it – tilt- and rattle-proof. It is wonderfully easy to use and only weighs 85 g. The four holders are pushed onto the cross. The diameter can be flexibly and precisely adapted to your glass or bottle. The prerequisite for using FLEXXI 100 is the base nub plate. Push on – adjust – done – it has never been easier. Together with the nub plate, the FLEXXI 100 can be used for any drawers, storage compartments, storage boxes and much more. Variable plug-in options and can be repositioned at any time if required.
