Under-Counter Wireless Charger

wentronic
 SOLUTIONS

Information

Dimensions	1.3x8 cm
Pack size	22x15x1.4 cm
Net weight	100 g
Gross weight	150 g
Catalogue page	565

Ideal for caravans, boats and motorhomes. The two Qi chargers charge the battery of many current smartphones – wirelessly if you place them on top. LEDs indicate the charging status. The under-counter charger can be installed invisibly under the worktop – simply with screw terminals and open cable connectors.

Features:

- Wireless charging of all common smartphones thanks to the Qi standard
- Low power consumption in standby mode
- The Qi chargers are fully functional in accordance with automotive requirements in the voltage range from 10.8 to 14.4 V.
- Distance between charger surface and smartphone between 6 mm – 13 mm
