iNDUS® Grey (A)

The grey water additive iNDUS Grey (A) has been specially developed to enable hygienic and odourless disposal of the grey water collected in the system. The additive keeps the formation of unpleasant odours in the grey water tank under control and prevents fat deposits as well as limescale formation in the grey water tank and grey water pipes.

- Fully automatic additive dosing: no more under- or overdosing
- Ensures hygienic and odourless disposal
- Specifically developed for the iNDUS smart sanitation system
