albrecht

Information

Dimensions	17.4x7.9x5.5 cm
Pack size	20x11.5x6 cm
Net weight	500 g
Gross weight	650 g
Catalogue page	107

The Albrecht DR 112 is the perfect companion for all outdoor fans: As a true all-rounder, the compact outdoor radio not only provides listeners on the move with the latest information and music (reception via FM/DAB+/streaming) but is also a torch, reading light, thermometer and power bank – all without an external power supply!

Because as a solar radio or crank radio, the DR 112 is independent of external power sources and is therefore perfect for outdoor activities such as hiking, picnics, camping, beach trips and of course all everyday situations. Back at home or in the car, the DR 112 can be conveniently charged via the USB-C connection.

With its robust housing, the DR 112 is very shock-resistant and waterproof according to IPX5 standard. With the help of the integrated SOS alarm function, visual and acoustic emergency calls can be sent should the need arise!

Functions:

- DAB+/FM radio reception
- Music streaming from smartphone/tablet to radio
- Power bank for charging external devices

Specifications
