Stemmed glasses can now also be transported in a space-saving upright position, tilt-proof and shatter-proof during travel.

For all glasses with stems, e.g. wine or champagne glasses, grappa glasses, cognac, etc.

Important: The base required is the nub plate or the CLIP CLAP cup/table clamp holder. It is wonderfully simple to use. And all this with a light weight of 10 g. Attach, adjust, done – it has never been more uncomplicated and space-saving.

Together with the nub plate, the IVY stemware holder can be used for any drawers, storage compartments, storage boxes, the apothecary cabinet and much more, in which the stemware can be transported upright.

Variable plug-in options and can be repositioned at any time if required.

- Dishwasher-safe
- Tilt-proof and stable during transport
- Space-saving
- Can be repositioned at any time
