The light Constellation Comforters provide a variety of options to keep you warm at the campsite, on the beach, at outdoor events, at a picnic, and even during a barbecue in your own garden. The versions for one person (200 × 120 cm) are equipped with the super-soft Isofill-Supreme filling, which stands out by its fluffiness and thermal insulation. The model is completed by its seams in quilt design. The sleeping bags can be folded to a small pack size and are equipped with a handle. They can also be used as a pillow. Material: polynylon.
