Elbow Pipe E7265 for TwinBoost

 **DOMETIC**

Information

Pack size	10.6 x 10.5 x 6.8 cm
Net weight	60 g
Gross weight	60 g
Catalogue page	543

Connection elbow for direct integration into hot air distribution systems, compatible with pipe diameters of 65 mm and 72 mm. This precision element enables efficient air routing and has been specially developed for seamless integration into existing heating and ventilation systems. Its robust construction ensures long-lasting performance and reliability in operation. Ideal for optimising air circulation in living and working areas.

Specifications

Colour	dark grey
Suitable for	TwinBoost
Type	E7265
