iNDUS® Cleaning & Storage

iNDUS Cleaning & Storage is a concentrated formula that helps ensure the smooth operation of the iNDUS smart sanitation system. It has been specifically developed for periodic cleaning and preparation for storage when the entire iNDUS system is not in use for an extended period.

- Ensures hygienic use and odourless storage of the iNDUS system
- Prevents unpleasant odours, deposits and stains in grey and black water tanks, pipes and lines
- Extends the service life of the iNDUS system
