

Item no. 310/545

Manufacturer's no. 203F2C-20-DE

Gas Stove 2 Cook 3 Turbo FFD Deluxe, 50 mbar

Information

Dimensions	55x9x31 cm
Pack size	60x32.5x12.5 cm
Net weight	6 kg
Gross weight	6.9 kg
Catalogue page	504

The 2 Cook 3 Turbo is equipped with a new burner technology. The inner flame increases the heating power on the cooking surface. This reduces the cooking time by up to 20%.

The two burners are protected against wind as they are located low in the housing. Each burner is equipped with a piezo ignition and a rotary knob. This allows them to be used independently of each other. The safety pilot allows the stove to be used indoors.

The 2 Cook 3 Turbo Deluxe is equipped with two pan stands, a flat grill grate and a ribbed grill grate with GreenGrill ceramic coating. Thanks to the different, independent grill grates, you can grill, fry, cook or heat up food or coffee at the same time.

The flat grill grate is ideal for preparing fish, breakfast and pancakes, while the ribbed grill grate is perfect for grilling meat, fish, chicken and vegetables. The handle is removable.

The rubber feet prevent the stove from slipping. After use, the lid can be closed and stowed away in the included carry/storage bag.

Grill surface per grate: 25 x 27 cm

Specifications

Operating pressure	50 mbar
Colour	black
Gas consumption	160 g/h
Nominal capacity	4.4 kW
Type	FFD Deluxe 50mbar
Safety pilot	Yes
Ignition system	Piezo ignition

Gas consumption: 2 x 160 g/h

Scope of delivery: pan stand, smooth grill grate, ribbed grill grate, windbreaks, removable handle and carry/storage bag.
