The Invictus One 2.0 is the powerful successor to the popular Invictus One handheld vacuum cleaner, now offering even more power, functionality and convenience. With its triple suction power and improved battery, this cordless handheld vacuum cleans all surfaces thoroughly and efficiently. Thanks to the new design and exclusive accessories, the Invictus One 2.0 is ideal for use at home, in the car and while travelling.

With a battery life of up to 20 minutes, furniture, upholstery, niches, corners and crevices can be cleaned effortlessly. Weighing only 0.5 kg, it is gentle on the hands and joints, making cleaning particularly pleasant. The integrated HEPA filter ensures hygienic cleanliness, while the dust container can be emptied easily and without direct contact with dirt thanks to the Quick-Clean function.

Advantages:

- Triple suction power thanks to high-performance BLDC motor
- Long-lasting battery – up to 20 minutes of runtime
- New and exclusive accessories for versatile applications
- Dual-filter system including HEPA filter for hygienic cleaning
- Quick-Clean function for easy and clean emptying of the
