The purvario mobile phone and tablet holder is the perfect companion for on the go, be it in a motorhome, on a business trip, at home or in the office. With its thoughtful design and versatile applications, it makes your everyday life easier. Thanks to the two included attachments – an anti-slip pad for smooth surfaces and an attachment for the nub plate or the CLIP CLAP – you can use the holder flexibly according to your needs.

Have your mobile devices always within reach and secure

With the mobile phone and tablet holder, you can effortlessly integrate your mobile devices into your daily routine. Be it for conference calls, comfortably watching videos or reading recipes – the holder gives you the necessary freedom of movement. The adjustable tilt ensures that you can always position your device at the optimal viewing angle, which is especially advantageous during conference calls or long video calls.

Furthermore, you can also use the holder as a fixed mobile phone holder, so that your smartphone always has a designated place for charging. This saves you from the hassle of searching.
