

Item no. 323/941

Manufacturer's no. RSHSN-W02W7-G1-DE

Display Device ONE Vision 7

Information

Dimensions	18.1 x 11.8 x 2.5 cm
Pack size	22.1 x 17.5 x 6.3 cm
Net weight	350 g
Gross weight	1.1 kg

The Renogy ONE Vision Panel is the intelligent control and monitoring centre for off-grid systems in commercial vehicles, motorhomes and remote houses. With the flush-mounted 7-inch HD IPS touchscreen display with 1024 x 600 pixels, you can keep all important energy data centrally in view.

The intuitive user interface allows real-time access to data from compatible Renogy devices – including solar input power, battery status and inverter activity. This way, you can comfortably and clearly control and monitor your energy system all in one place.

Scope of delivery:

- ONE Vision 7 Touch
- Quick start guide
- Ethernet CAN cable 1.5 m
- Flush-mounting bracket

Specifications

Colour	black
Content	1 piece
