Mobile drying rack – lightweight, flexible and cleverly designed

This versatile drying rack impresses with maximum functionality in a compact space. It can be unfolded three times and offers plenty of drying space with a total length of 124 cm for clothes, towels or swimwear. Thanks to its intelligent design, it can also be used with a shower curtain in no time – without any tools.

The sturdy aluminium construction is completely rust-free, robust and particularly lightweight at only 1.1 kg. With a load capacity of up to 12 kg, the rack securely holds larger laundry items. The 15 practical eyelets allow you to hang up clothes hangers or attach a washing line. The high-quality silicone suction cup ensures a firm hold on all smooth surfaces – perfect for camping, boating or on the go.
